US Chinese Services Group

As a leading organization serving the most complex global clients, the Deloitte Chinese Services Group (CSG) specializes in responding to the unique needs of companies engaged in business between China and the United States.

About the US Chinese Services Group

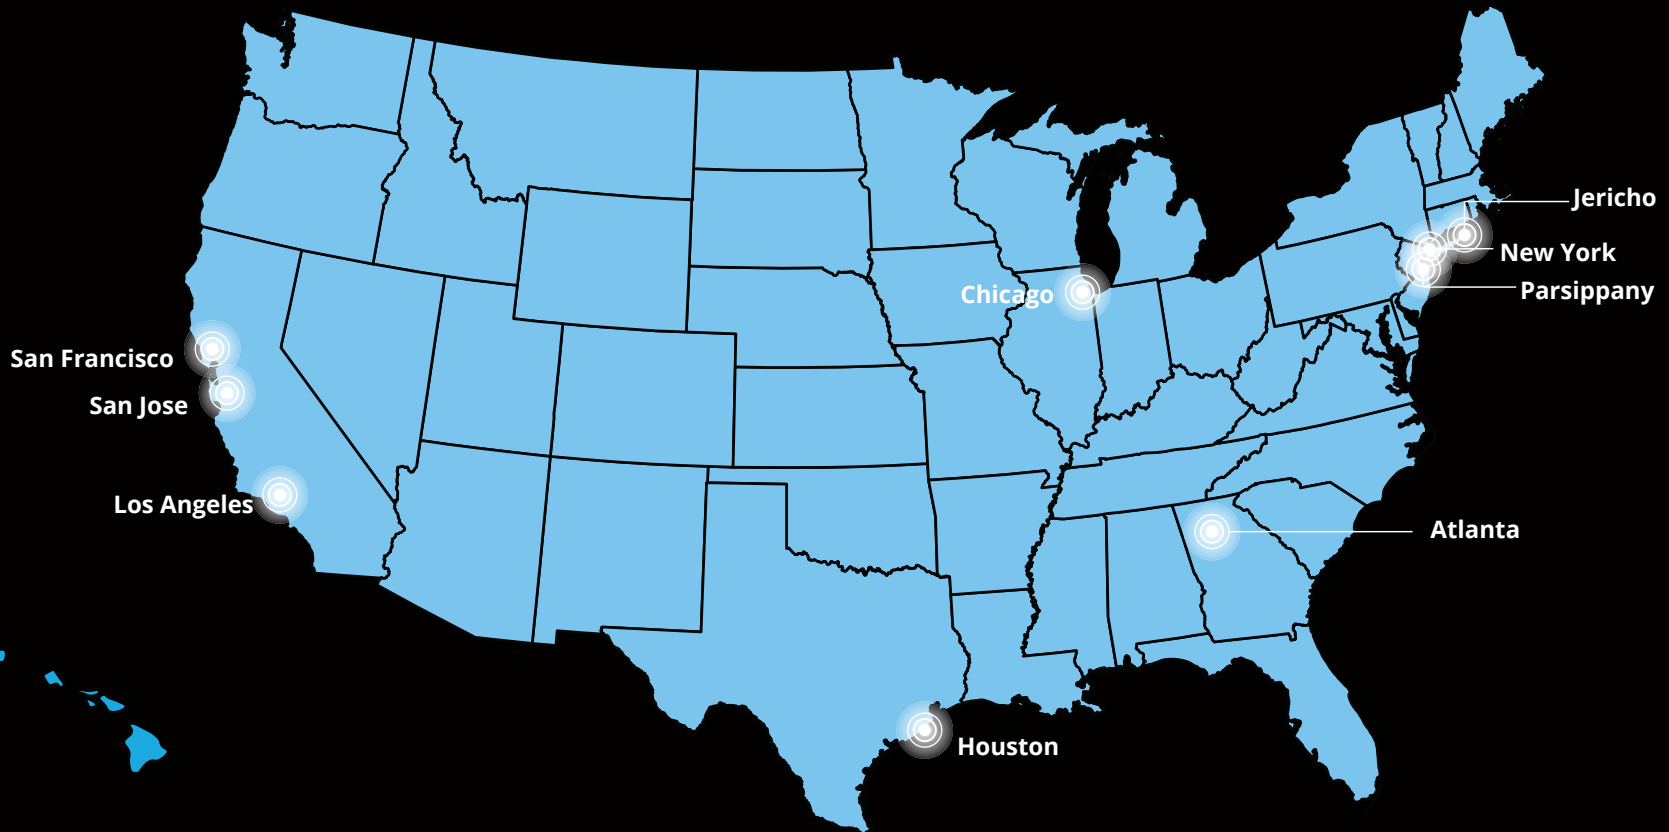

Established in 2003, CSG advises Chinese companies and multinational companies (MNCs) operating or seeking to operate in China.

We have professionals who speak Chinese and/or understand Chinese business culture in 90 countries and regions within Deloitte Touche Tohmatsu Limited's member firms, with about 2,000 bilingual resources in the United States. This dedicated network is committed to providing professional advice and comprehensive solutions to better serve our global clients.

To stay ahead of the curve in prioritizing the needs of our global clients, the CSG continues to evolve and adapt to the changing dynamics of the marketplace, providing professional advice and comprehensive solutions to address complex business challenges.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the “Deloitte” name in the United States, and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting.

Please see www.deloitte.com/about to learn more about our global network of member firms.
