

SAP[®] Innovation Labs

Imagine and design the future of your business

Explore the possibilities for business innovation and new value. Deloitte's SAP Innovation Labs provide an interactive, collaborative environment to help you shape a future vision for your organization.

Step in to the lab

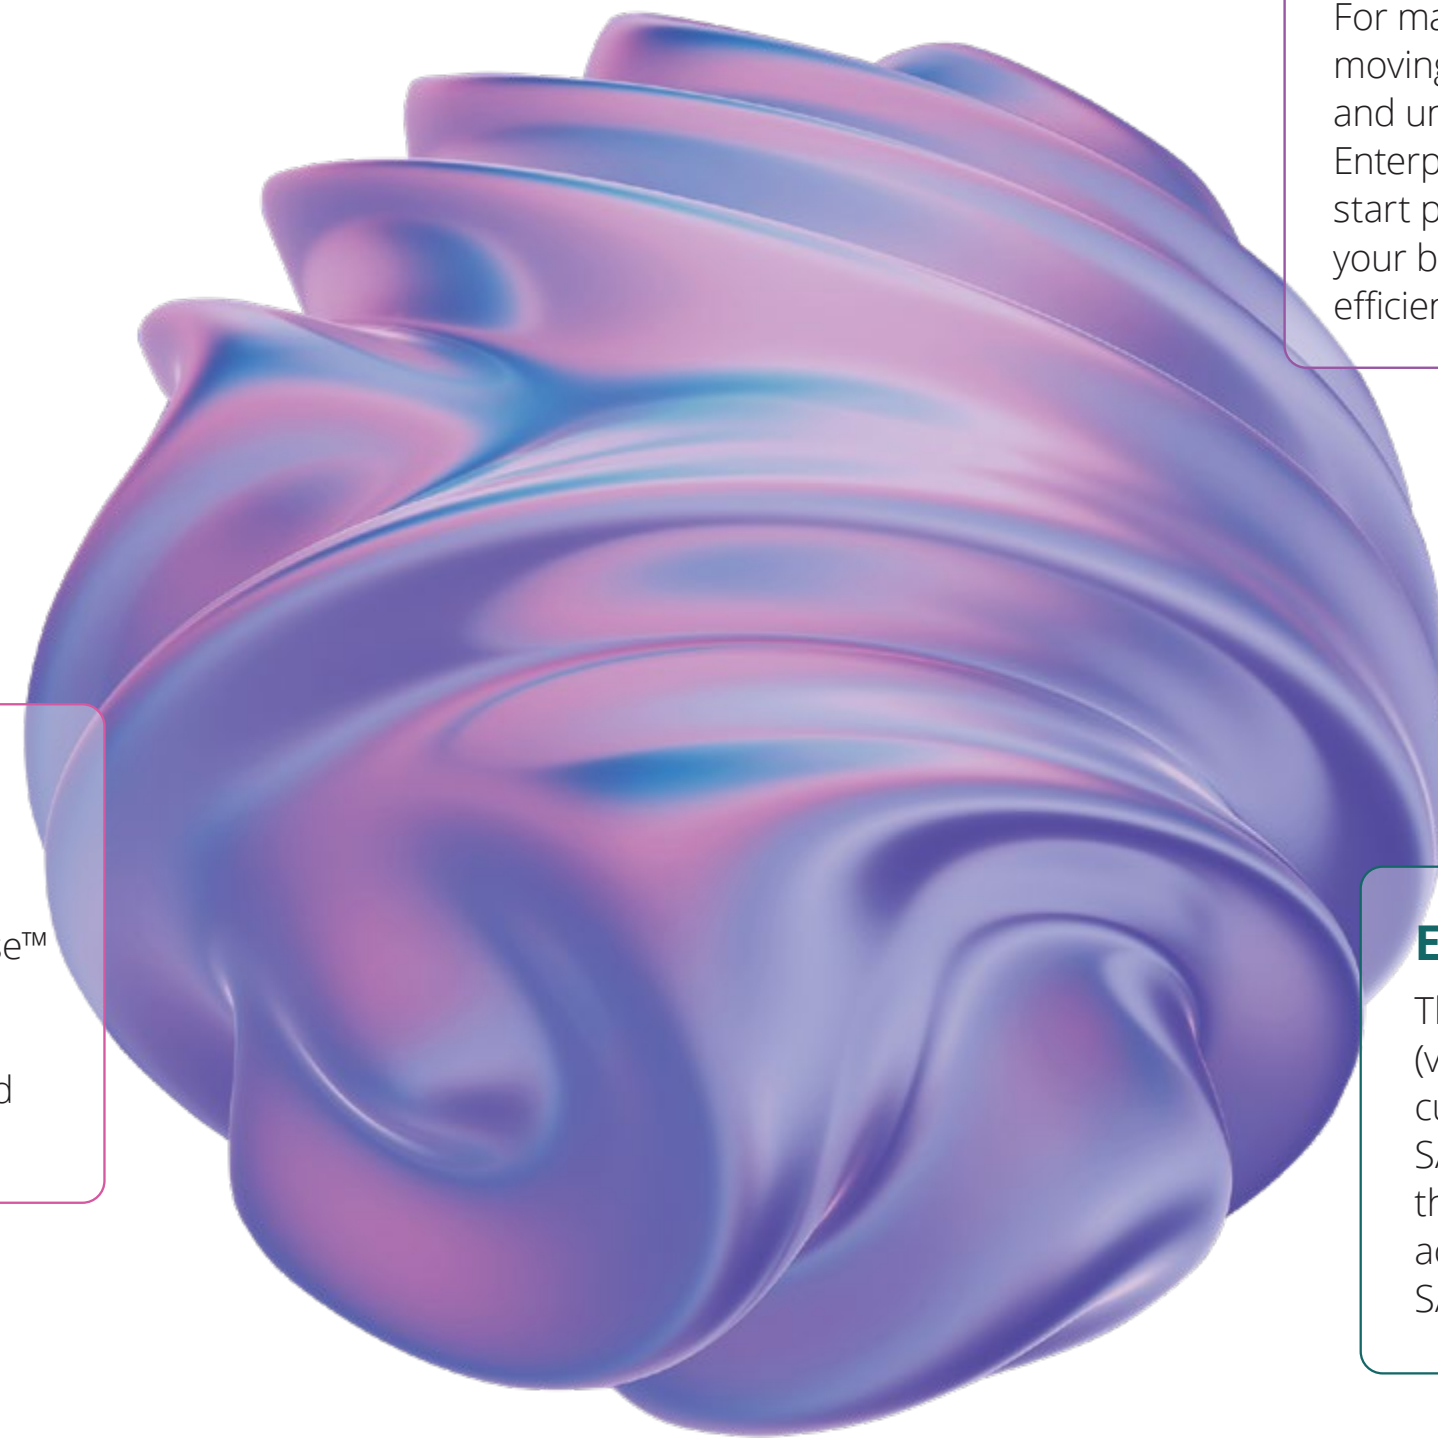

Experience the latest business solutions in actions and get insights that can help you activate the built-to-evolve Kinetic Enterprise™—capable of responding at the speed of disruption, supported by a clean core, intelligent technologies, cloud solutions, and an inclusive ecosystem of capabilities.

Why now?

For many organizations using SAP ERP solutions, moving to SAP S/4HANA[®] will bring innovation and unlock potential value through Kinetic Enterprise. SAP Innovation Labs allow you to start planning for value now—to start positioning your business to achieve new levels of insights, efficiency, service, innovation, and growth.

Envisioning the way forward

Through our half-day or 1-day session (virtual or in-person, timing and duration customized to meet your needs), a Deloitte SAP Innovation Lab allows you to envision the ways in which you can simplify and accelerate business transformation using SAP technologies.

SAP® Innovation Labs

Imagine and design the future of your business

DISCOVER how SAP S/4HANA and other SAP solutions can help you enable integrated, end-to-end digital enterprise transformation. Find out how you can address critical needs and drive business outcomes for areas such as:

- Finance
- Supply chain
- Customer experience
- Workforce experience

LEARN about:

- Trends that are shaping the future of business—from the future of finance to the future of work
- Other organizations' experience implementing SAP S/4HANA and additional technologies

EXPERIENCE real-world solutions in action through:

- Use cases for addressing specific business challenges
- Technology demos, including:
 - Intelligent SAP solutions leveraging machine learning, robotic process automation, IoT, and analytics
 - Deloitte accelerators such as [Selective Transformation](#) and [Kinetic Finance Startup](#), leveraging AI and cloud to help you rapidly move to SAP S/4HANA
 - Deloitte's industry-focused, SAP-enabled solutions
 - Business Outcome focused Kinetic Drivers enabled by SAP Industry Cloud

START BUILDING the future for your business, collaborating with Deloitte industry/transformation professionals, as well as your colleagues, to

- Define your challenges
- Identify opportunities for business innovation and new value
- Understand how SAP solutions can help you take action
- Plan next steps in the journey to become a built-to-evolve Kinetic Enterprise

GET real assets to help you build the business case for transformation—and accelerate it:

- **A unique business roadmap for your organization**
Work toward a plan that addresses your specific business needs
- **A focused list of opportunities to target**
Collaborate in the lab to identify potential areas for generating new business value
- **Leading practices and business processes**
Make your SAP S/4HANA roadmap matter—with focused insights from Deloitte industry specialists plus real-world-tested strategies and tactics

How it works ... virtually

Our labs combine design thinking, analytics, innovation theory, and more to promote experimentation in a structured environment. Digital video, whiteboards, chat, virtual breakout rooms, and other tools allow us to create a virtual experience that sparks meaningful ideas, dialogue, and insights. We also use a polling mobile app to get live feedback for driving discussion

Why Deloitte?

As the No. 1 global partner for SAP, Deloitte brings extensive industry-specific experience at the intersection of business transformation and technology enablement—with solutions and services across the “advise-implement-operate” spectrum. Our worldwide team of 25,000 SAP-focused professionals and our 32-year relationship with SAP are central to the work we do each day as we help industry leaders solve their most pressing challenges and make an impact for their businesses. We have been repeatedly recognized by SAP for our ability to help clients deliver results—with accolades that include SAP® Pinnacle Awards as SAP S/4HANA Partner of the Year (Large Enterprise) in 2016, 2017, 2018, and 2020—in addition to the 2020 SAP Pinnacle Award as SAP S/4HANA Cloud Partner of the Year (Large Enterprise).
