Dear Mr. Kroeger:

Re: Caribou Resources Inc.

Enclosed please find a filed copy of the Monitor's Sixth Report. I will forward to you in the next day or so a form of Notice of Motion and draft Order for your review. The earliest date we could get before Horner was September 1 at 1:30 p.m. so that should give us plenty of time to serve notice on all parties.

Please give some thought as to whether there are other parties we need to serve such as CRA, Workers' Comp., etc.

Yours truly,

BENNETT JONES LLP

4. On May 25, 2007 the Company obtained a further order of the Court extending the Stay Period to midnight on May 31, 2007.
5. On May 31, 2007 the Company obtained a further order of the Court extending the Stay Period to midnight on June 14, 2007.
6. On June 14, 2007 the Company obtained a further order of the Court extending the Stay Period to midnight on August 30, 2007.
7. On July 31, 2007, this Honourable Court sanctioned both the Second Amended and Restated Plan of Arrangement dated July 30, 2007 (the “Plan of Arrangement”) and the ABCA Arrangement dated June 13, 2007 (the “ABCA Arrangement”) (collectively the “Sanction Orders”).

PURPOSE OF REPORT

8. The purpose of this report is to provide information to the Court in connection with the status of the CCAA proceeding, to approve the Statement of Receipts and Disbursements, to approve the final distribution to the affected creditors and to obtain the discharge of the Creditors Committee and the Monitor.

BACKGROUND

13. Caribou is an Alberta corporation carrying on business in the province of Alberta. The Company was created on January 23, 2004 through the acquisition/amalgamation of Rimron Resources Inc., New Earth Exploration Ltd., and Rainmaker Ventures Ltd. In October 2004, Caribou acquired Shaker Resources Inc.
14. Caribou is a full cycle exploration and development company primarily focused on exploring for natural gas and oil in Central and Northern Alberta. The Company maintains its head and registered offices in the city of Calgary, Alberta.

15. Caribou owned and operated significant oil and gas facilities and infrastructure in Central and Northern Alberta including a gas plant and an oil processing facility. In addition, Caribou held interests in producing oil and gas wells.
16. On July 30, 2007, the affected creditors of and the shareholders of Caribou approved the Plan of Arrangement and the ABCA Arrangement respectively.
17. The highlights of the Plan of Arrangement are as follows:
 - a) Jed Oil Ltd (“JED”) was the sponsor of the Plan of Arrangement;
 - b) JED provided the Monitor with 5 million of its common shares listed on the American Stock Exchange (“AMEX”) with the net sales proceeds of up to the first 800,000 shares to be used to satisfy the claims of the Subordinate Secured Creditor class (as defined in the Plan of Arrangement) and with the net sales proceeds of the remaining shares to be distributed on a pro rata basis to the remaining affected creditors; and
 - c) All creditors to also receive the lesser of \$1,000 or the amount of their proven claim.
18. At the July 30, 2007 creditors’ meeting, the affected creditors appointed a Creditors Committee which included Heather Stickel, Michael Parkin and Ken Olson. The purpose of the Creditors Committee was to provide the Monitor with guidance and approvals of the activities to be undertaken to fulfill the obligations contained in the Plan of Arrangement. The Creditors Committee’s role was to be similar to the role of Inspectors appointed pursuant to the Bankruptcy & Insolvency Act.
19. Since the Sanction Orders there have been 9 Creditors Committee meetings.

ACTIVITIES SINCE THE SANCTION ORDERS

20. As a result of the Sanction Order and the number of JED shares issued in the name of the Monitor, the Monitor became an 'insider' of JED as defined by AMEX regulations and the US Securities and Exchange Commission ("SEC"). Therefore the Monitor and the Creditors Committee became liable for certain AMEX and SEC reporting requirements and, as insiders, were limited on the number of shares that could be sold on a monthly basis.
21. Once we were able to start selling JED shares in November 2007 it took until April 2009 to sell all of the 5 million shares that we had. Attached as Exhibit 1 is a summary of the realizations from the sales of JED shares. The net proceeds from these sales totaled \$1,411,885.81.
22. The first 800,000 JED shares realized net proceeds of \$1,039,104.15. These funds were to be utilized to pay the claims of the Subordinate Secured Creditors.
23. On August 14, 2008 JED filed for creditor protection under the Companies' Creditors Arrangement Act. This had the result of reducing the JED share price from over US\$0.30 per share to under US\$0.10 per share and shares could not be sold until October, 2008.
24. The Creditors Committee was kept current on the status of the sale of the JED shares and the Creditors Committee authorized the Monitor, from time to time, to sell JED shares at specific amounts.
25. After many months of negotiation and compromise, and with the guidance and approval of the Creditors committee, total Subordinate Secured Creditor claims amount to \$823,510.85 and total Unsecured Creditor claims amounted to \$18,473,450.65. Schedules of the Subordinate Secured Creditor claims and the Unsecured Creditor claims are attached as Exhibit 2 and 3 respectively.
26. To date, the Subordinate Secured Creditor claims have been paid in addition to the lesser of \$1,000 or the amount of the Unsecured Creditor claims which totals \$280,739.72.

STATEMENT OF RECEIPTS AND DISBURSEMENTS SINCE THE SANCTION ORDERS

27. Attached as Exhibit 4 is a Statement of Receipts and Disbursements of the Monitor since the date of the Sanction Orders to June 30, 2010 (the "Statement of R&D"). The Statement of R&D indicates that the estimated final distribution to the Unsecured Creditors will total \$343,000.

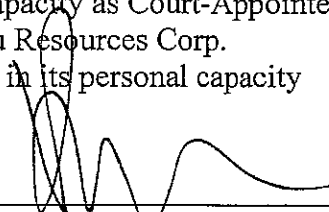

PROPOSED DISTRIBUTION

28. Attached as Exhibit 5 is the Estimated Final Distribution to the Unsecured Creditors.

MONITOR'S RECOMMENDATION

29. We would recommend that:
- a) The activities of the Monitor and the Creditors Committee since the Sanction Orders are approved;
 - b) The final estimated distribution to Unsecured Creditors in the approximate amount of \$343,000 and attached as Exhibit 5 is approved;
 - c) The Monitor's Statement of Receipts and Disbursements attached as Exhibit 4 is approved; and
 - d) Once the final distribution occurs, the Monitor and the Creditors Committee are discharged.
