

IN THE COURT OF QUEEN'S BENCH OF ALBERTA
JUDICIAL DISTRICT OF CALGARY

IN THE MATTER OF section 193 of the *Business Corporations Act*
(Alberta), R.S.A. 2000, c. B-9

AND IN THE MATTER OF a Plan of Arrangement under the *Business Corporations Act* (Alberta) proposed by CARIBOU RESOURCES CORP. involving CARIBOU RESOURCES CORP. and certain of its securityholders and JED Oil Inc.

SUPPLEMENTAL AFFIDAVIT

I, ROSS G. ROBERTSON, P. Eng., of the City of Calgary, in the Province of Alberta, MAKE OATH AND SAY AS FOLLOWS:

1. I am the President and Chief Operating Officer, a member of the Board of Directors and a shareholder of Caribou Resources Corp. ("Caribou"), and as such I have personal knowledge of the facts herein deposed to, or where indicated, I have been advised and believe the facts to be true to the best of my knowledge, information and belief.
2. I make this Affidavit in support of the Petition and Notice of Motion for an Interim Order and giving advice and directions with respect thereto. This Affidavit is supplementary to my Affidavit sworn in these proceedings on June 21, 2007.
3. Pursuant to securities laws Caribou's financial statements for the first quarter of 2007 ("Q1 Statements") and management discussion and analysis ("MD&A") were required to be filed on SEDAR by May 30, 2007. The Q1 statements and MD&A were not in fact filed until June 13, 2007, a delay of 2 weeks.
4. The delay resulted from the following circumstances. As a result of Caribou's insolvency and *Companies' Creditors Arrangement Act* ("CCAA") proceedings, it lost several employees including its manager of financial reporting. As a result it had to hire a

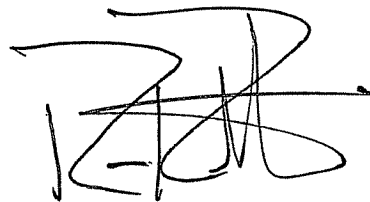

replacement consultant and educate that consultant on Caribou's financial affairs and help him get up to speed in order to prepare the necessary Q1 statement and MD&A. In addition, by early May, 2007 it appeared that the Caribou would not be restructured and that instead its assets would be sold in receivership. As a result, Deloitte and Touche Inc., the court-appointed monitor ("Monitor"), expressed concern about Caribou spending estate funds and preparing the Q1 Statements and MD&A in case Caribou's assets might be imminently sold and its business come to an end.

5. On May 23, 2007 Caribou received JED Oil Inc.'s offer and for the first time it appeared that there was some prospect of a viable restructuring for Caribou. Caribou endeavored to complete the Q1 Statements and MD&A and file them as soon as practicable.
6. The Q1 Statements and MD&A were promptly prepared, then considered and approved by the Board of Directors of Caribou and ultimately filed on June 13, 2007. Caribou received a delinquent filing notice from the Alberta Securities Commission on June 15, 2007. As the Q1 Statements and MD&A have now been properly filed, I believe that Caribou is now in compliance with its financial statement and MD&A filing requirements under the applicable securities laws.
7. To the best of my knowledge Caribou is not currently in default of filing obligations or other securities laws.
