At Deloitte we are committed to keep you up-to-date with tax changes across Europe and the US.

Our research shows that our clients want a medium of communication that is succinct and convenient. That is why we have developed the Deloitte European Tax Briefings, a topical series of web conferences delivered by our European Tax Partners and chaired by Jan Roels who is responsible for Deloitte's International tax services in Europe. The briefings are aimed at Tax Directors and International tax specialists.

The web conferences cover topics such as:

- EU tax cases and legal developments.
- National tax changes of international significance.
- Transfer pricing – sharing audit field experiences, details of recent rulings obtained and changing attitudes from tax authorities.
- Tax aspects of US and international accounting standards.
- Holding and finance companies in Europe.
- Tax implications of Shared Service centres.
- R&D tax benefits.

The next briefings scheduled from July 2008 to June 2009 are:
