## Serving the Military Health System through a superior “TEAMS” team

A summary of our capabilities and commitment to serve MHS through the **TRICARE Evaluation, Analysis, and Management Support (TEAMS)** contract vehicle

Audit • Tax • Consulting • Financial Advisory.

Member of  
Deloitte Touche Tohmatsu

**About Deloitte**  
Deloitte refers to one or more of Deloitte Touche Tohmatsu, a Swiss Verein, its member firms, and their respective subsidiaries and affiliates. As a Swiss Verein (association), neither Deloitte Touche Tohmatsu nor any of its member firms has any liability for each other's acts or omissions. Each of the member firms is a separate and independent legal entity operating under the names "Deloitte," "Deloitte & Touche," "Deloitte Touche Tohmatsu," or other related names. Services are provided by the member firms or their subsidiaries or affiliates and not by the Deloitte Touche Tohmatsu Verein.

Deloitte & Touche USA LLP is the U.S. member firm of Deloitte Touche Tohmatsu. In the United States, services are provided by the subsidiaries of Deloitte & Touche USA LLP (Deloitte & Touche LLP, Deloitte Consulting LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP, and their subsidiaries), and not by Deloitte & Touche USA LLP.

# What is TEAMS?

A powerful new contract vehicle to help the Military Health System (MHS) address its strategic and tactical priorities.

**TEAMS is a Multiple Award Indefinite Delivery, Indefinite Quantity (IDIQ) contract vehicle that is:**

- **Immediately Available**

Effective February 1, 2008  
Replaces PMI II and D/SIDDOMS II Lot I

- **Long-term**

10-year duration (Base plus nine option years)

- **Versatile**

The vehicle includes a wide range of Category 2 Program Management Support task order types including:

- Firm-Fixed Price (FFP)
- Cost Plus Award Fee (CPAF)
- Cost Plus Fixed-Fee (CPFF)
- Fixed Price Award Incentive (FPI)
- Time & Materials/Labor Hours (LH)
- Cost Plus Incentive Fee (CPIF)

- **Broad**

TEAMS can be used by the TRICARE Management Activity (TMA) and all components of the worldwide MHS, including Military Treatment Facilities (MTFs) and clinics, as well as contracting and acquisition activities supported by TMA.

TEAMS is also available for use by other Department of Defense (DoD) organizations, the Department of Veterans Affairs, and the Department of Health and Human Services for joint initiatives that have significant or direct impact on MHS.

# The Deloitte Difference

The Deloitte team is committed to supporting MHS and DoD. The Deloitte Client Experience is our commitment to delivering value to our clients.

### Understanding & Perspective

We are currently serving MHS and other DoD agencies on a wide variety of strategic efforts to help to them accomplish key priorities and goals. Our ongoing collaboration allows us to understand the mission and culture of MHS and DoD. We are committed to leveraging this unique understanding in every project so we can continue to deliver services of unmatched value across the organization.

### Responsiveness

We have the scale and capabilities to bring the appropriate resources to every project and to provide those resources at the appropriate time.

### Right Team

We use a multidisciplinary approach to team development. Consequently, the services we provide are comprehensive and designed to help MHS and DoD agencies address the root causes of the issues they face.

### Industry Insight

We bring deep subject matter experience, knowledge and skills spanning all facets of the industry, including providers, health plans, PBMs and life sciences.

In addition, we combine our private sector industry insight with the government experience and capabilities necessary to effectively provide services within MHS and DoD.

Our cross sector team is comprised of specialists from a variety of areas including clinicians, business process and operations consultants, pharmacists, strategists, information system and technology architects, systems integrators, auditors, financial managers, and human capital advisers.
