Taxes in Vietnam: An Overview

Taxes in Vietnam: An Overview is a handy reference to tax rules of Vietnam. It aims to explain the overall tax framework clearly and concisely for practical use by businesses and individuals.

Vietnam's tax regime is contained in a myriad of laws, decrees, circulars and official guidance and there is often no simple way of identifying those that are applied in practice. Within one source for the first time in English, *Taxes in Vietnam: An Overview* reflects the most current information on tax compliance requirements based on the new laws effective from 1 January 2009. With its highly useful commentary on essential tax laws, you'll be well-equipped to navigate the complex business system at ease.
