

Deloitte.

**Common Pointers in the
Preparation of Standalone
Financial Statements**

6 CPE hours

Target Audience

Accounting and finance professionals who wish to deepen their professional knowledge and skill in the preparation of International Financial Reporting Standards ("IFRS") financial statements: Finance managers/controllers, Finance team leaders, GL accountants, Auditors

Delivery mode

Live Webinar
delivered in English

Introduction to course

As we live in a continually evolving, and proven uncertain global economy, preparing a full set of financial statements with integrity has become more critical than ever.

This course aims to assist participants in approaching the preparation of IFRS financial statements with improved efficiency. Aside from reinforcing the knowledge of the different components of a complete set of IFRS financial statements, this course will also highlight the common challenges a preparer faces, including some practical application tips.

Learning objectives

- Improve understanding of the different parts of the financial statements and how each piece relates to each other
- Understand how these parts of the financial statements are structured and applying it in your workflow for maximum efficiency in the preparation process
- Develop awareness on some of the common issues in the preparation of the financial statements and be equipped with the proper knowledge to address them
- Acquire confidence needed in the preparation of IFRS financial statements

Outline of course

Agenda:

- Overview on the features of a complete set of financial statements
- Statement of profit or loss and other comprehensive income
- Statement of financial position
- Statement of cash flows
- Statement of changes in equity
- Notes to financial statements
- Common difficulties / challenges and practical tips

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organization"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte Asia Pacific Limited is a company limited by guarantee and a member firm of DTTL. Members of Deloitte Asia Pacific Limited and their related entities, each of which are separate and independent legal entities, provide services from more than 100 cities across the region, including Auckland, Bangkok, Beijing, Hanoi, Hong Kong, Jakarta, Kuala Lumpur, Manila, Melbourne, Osaka, Seoul, Shanghai, Singapore, Sydney, Taipei and Tokyo.

About Deloitte Myanmar
