

Legal leadership with purpose

Host: Lori Lorenzo, Research & Insights director, Chief Legal Officer program, Deloitte & Transactions & Business Analytics LLP

Guest: Anthony Sharett, executive vice president, chief legal and compliance officer and corporate secretary, Meta Financial Group

Welcome to Resilient. I'm Lori Lorenzo, Deloitte's research and insights director for our Chief Legal Officer program, and cohost of the chief legal officer track of the Resilient podcast series. In the Resilient podcast series, we've been diving into various aspects of our rapidly evolving world. We're talking to leaders about tenacity, resolve, and, of course, resilience. Today is no exception.

Today we ask, what impact does a career spanning public service, private practice, and

large public corporations have on a leadership mindset? What does financial inclusion for all look like? And what does a leader need to do to make this mission come to life? How can legal leaders drive transformation and modernization? We explore these questions and gain insights from legal leader and personal friend, Anthony Sharett, executive vice president, chief legal and compliance officer, and corporate secretary at Meta Financial Group.
