

ConvergeHEALTH™ MyRateFinder™

Health care transparency is here. Utilizing the extensive domain knowledge and proprietary analytics that turn information parity into a categorical advantage, MyRateFinder™ by Deloitte's ConvergeHEALTH generates an empirical narrative to help inform and defend your business strategy.

How do we turn Information Parity into Categorical Advantage?

Sufficiency

Comprehensive meta-analysis enables identification of network files with sufficient data for your analytical needs

Integrity

Outlier detection identifies integrity issues and enables cleansing and calculation of confidence

Comparability

Volume weighting and national payment standards enable comparability across data sets

Insight

Augmenting pricing data with Deloitte's health care data library and intelligent analytics platform delivers meaningful insights

Action

Health care strategists, operators, technologists, and data scientists help translate insight to action to advance your business
