

Safety first: the road to self-driving starts with a stop

By 2022, Deloitte Global estimates that

a sixth of the US cars and light trucks

will be equipped with automatic emergency
braking (AEB)

Deloitte Global predicts AEB will contribute
to a reduction of annual US motor vehicle deaths

by 6,000

16% decline

compared
to 2017

AEB technology can enable the vehicle
to react to an obstacle

in 1-2 milliseconds

Deloitte.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/about to learn more about our global network of member firms. This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively the "Deloitte Network") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.
