## Explore what's ahead in Technology, Media, and Telecoms

1. The Internet of Things really is things, not people

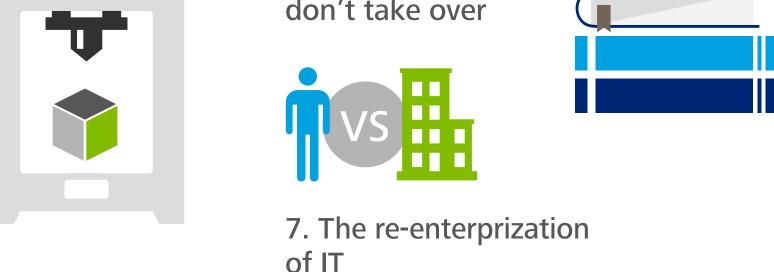

2. Drones: high-profile and niche

3. 3D printing is a revolution: just not the revolution you think

4. Click and collect booms in Europe

8. Short form video: a future, but not the future of television

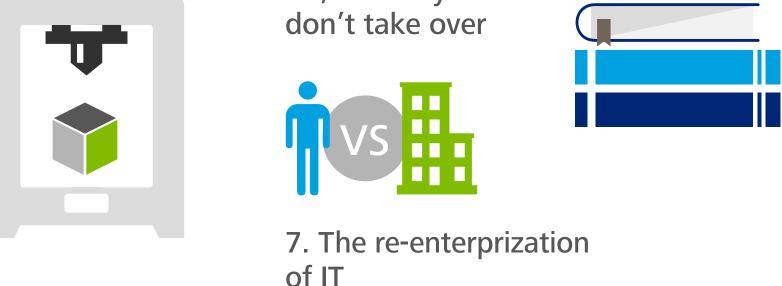

11. One billion smartphone upgrades

9. The 'generation that won't spend' is spending a lot on media content

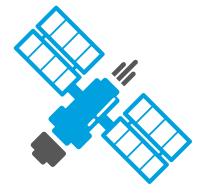

10. Print is alive and well...at least for books

12. The connectivity chasms deepen: the growing gap in broadband speeds

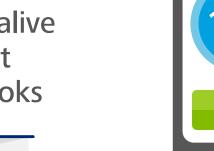

5. Smartphone batteries: better but no breakthrough

6. Nanosats take off, but they

13. Contactless mobile payments (finally) gain momentum
