

## Married couples may file separate individual income tax returns (L. 4583/2018)

Greece's Independent Authority for Public Revenue's (AADE) electronic platform is ready to receive applications for the filing of separate individual income tax returns for tax year 2019.

Married couples may use the platform to file separate income tax returns for 2019 but must apply to do so by February 28, 2020.

Couples may file separately if at least one of the spouses opts for separate filing by making an irrevocable application by February 28 of the relevant filing year. This option is binding on the other spouse for the tax year concerned.
