Introduction

Facilitated by Deloitte Greenhouse Experience team, Business Chemistry® can provide the answers to stronger relationships, team performance, and exceptional organizations.

Based on extensive research and analytics, plus years of proven success in the field, the Business Chemistry® framework provides a simple yet powerful way to identify meaningful differences between working styles.

Expressly designed for use in a business context, Business Chemistry® can help participants grasp where others are coming from, appreciate the value they bring, and determine what they need in order to excel.

Course Outline

- Introduction and background of Business Chemistry
- Understand Yourself: The Four Business Chemistry Types
- Understand Others: 3 Tools to Create a Hunch
- Adapt Your Style: Tips & Tricks to Engage Others
- Chemistry at Work: Active Learning Through Interactive Activities and Practical Challenges
- Deloitte developed the Business Chemistry self-assessment* to help provide insights about individuals and teams based on observable business behaviors. Business Chemistry draws upon the latest analytics technologies to reveal four scientifically based patterns of behavior.

Learning Objectives

- Have a strong understanding of own working style and the other working styles and recognize behavioural patterns in others and create "hunches" about their likely Business Chemistry type
- Learn strategies to engage more effectively with team members and stakeholders
