

# Deloitte Digital and NetSuite

## Transform for growth on a unified cloud platform

For fast-growing companies seeking to implement business systems that can scale to meet increasing demand, NetSuite offers affordable, cloud-native solutions that ease the transition to new systems and capabilities.

At Deloitte Digital, we help organizations grow by implementing new or updating legacy NetSuite solutions that integrate easily with other leading enterprise applications. Our global and human-centric approach has led to the delivery of hundreds of successful projects. As a premier NetSuite global alliance partner, Deloitte Digital brings a reputation for handling some of the largest and most complex NetSuite engagements.

---

## Modernize your operations with the latest NetSuite capabilities

From building your vision to implementation and ongoing managed services, Deloitte Digital offers a broad range of strategic services to facilitate your NetSuite transformation. Our approach empowers organizations to respond to the demands of growth by reimplementing and reconfiguring NetSuite to optimally manage operations.

Based on key learnings from our extensive experience delivering NetSuite and broader lead-to-cash transformations, we help organizations:

Scale to support organic growth and changing business needs

Modernize processes to support complex and evolving product offerings and deal structures

Consolidate systems and automate processes to streamline acquisitions and divestures

Create a single source of truth for all transactions

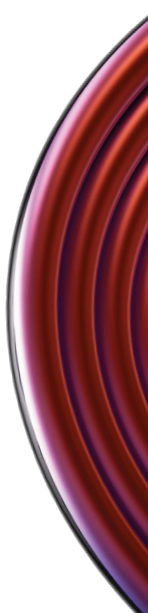

Focus on transforming end-to-end experiences

Ensure consistent data quality and compliance while managing risk

Simplify reporting and analytics with integrated, near-real-time views of the business

# Three pillars of differentiation

## GLOBAL PRESENCE

Deloitte Digital has won the **NetSuite Global Alliance Partner of the Year award for six consecutive years (2017-2022)** as well as multiple Partner of the Year awards. Our trained and certified NetSuite consultants operate globally and have successfully completed hundreds of deployments.

## BREADTH OF SERVICES

Our solutions encompass a wide range of services, including complex program management and cross-border implementations; change management and training; process alignment and optimization; financial and supply chain transformations.

## TAILORED EXPERIENCE

By leveraging leading industry practices, we help organizations compete successfully in an increasingly digital environment. Our dedicated teams bring a focused point of view to your engagement through specific NetSuite experience and broader implementation experience across a wide range of industries.

## Assets and solutions

Deloitte Digital deploys accelerators for NetSuite solutions to reduce risk and speed time to delivery.

### DigitalMIX

Scalable framework and suite of pre-configured delivery accelerators for complex, multi-cloud lead-to-cash and finance implementations using a powerful ecosystem of leading platforms.

### Digital Life Sciences

Industry-specific delivery accelerators with preconfigured baseline environments and project management tools that enable transformation.

### Digital Supply Chain

Preconfigured accelerator leveraging the latest NetSuite manufacturing features based on industry standards and best practices.

### Momentum™

Comprehensive, hybrid-agile methodology built specifically for digital-enabled, hands-on cloud implementations.

### Deloitte Ascend™

Integrated tools and insights that increase value and efficiency from defining your vision through ongoing innovation.
