

StartSuccess

Transformation at your own pace and on your own terms

Many organizations want to transform with cloud and SAP solutions, but not all are ready to undertake massive end-to-end transformations. StartSuccess by Deloitte offers a modular approach to cloud-enabled transformation powered by SAP solutions, allowing companies to transform in ways that matter to them. It provides the speed, simplicity, and flexibility that organizations require when undertaking a digital transformation.

StartSuccess includes technical services and capabilities to provide out-of-the-box solutions right from the start. These include:

- best-practice processes
- intuitive browser-based UX
- data governance
- universal search capabilities
- Industry specific functions
- Deloitte assets & accelerators
- Integrated implementation services
- real-time analytics & dashboards
- content platform that supports the adoption of new solutions, drive employee engagement, and manage change across the enterprise

Streamlined simplicity with SAP solutions

Through StartSuccess, Deloitte provides a streamlined experience for licensing, purchasing, implementation, provisioning, and support that covers key solutions such as:

- SAP S/4HANA® Public Cloud
- SAP® SuccessFactors® Employee Central
- SAP® Analytics Cloud
- SAP® Identify Access Governance
- SAP® Concur
- Workforce X (Communic8)

Potential Benefits:

Enables a modular approach to cloud-enabled transformation powered by SAP solutions.

Simplifies engagement and supports cloud-enabled “business transformation as a service.”

Technical services and capabilities to provide out-of-the-box solutions right from the start.

Speed to success: implementation in as little as 16-weeks.

Potentially lower total cost of ownership—thanks to a standard operating model and cloud managed services.

Add capability modules and additional SAP solutions that work as part of connected digital ecosystem rather than siloed systems.
