Various jurisdictions: Global trade updates3

Belgium: Social security applicable on RSUs granted by a foreign parent company

This article discusses a decision in which the Supreme Court ruled that restricted stock units granted by a foreign parent company to employees of its Belgian affiliate constitute salary subject to Belgian social security contributions, overturning the Antwerp labor court's previous position.

South Africa: SARS finalizes APA rules, as pilot program goes live

The South African Revenue Service (SARS) has issued, through public notices, final legislation governing the long-awaited advance pricing agreement (APA) program. An exclusive pilot program is being launched to provide upfront tax certainty for multinational enterprises that meet certain eligibility requirements. SARS has also published an APA guide and will accept requests to participate in the APA pilot program as from 1 September 2026.

United Arab Emirates: FTA issues registration and deregistration deadlines for top-up tax purposes

The Federal Tax Authority (FTA) has issued a decision that provides deadlines for multinational enterprise group entities to register and deregister for Pillar Two top-up tax purposes, as well as to notify the FTA when their in-scope status changes. The decision is effective for fiscal years starting on or after 1 January 2025.

United States: Regulations proposed on CFC tax year changes, 10% disallowance of FTCs on section 951A PTEP

Proposed regulations have been released on the allocation of certain foreign income taxes for specified foreign corporations affected by the repeal of a provision allowing the corporation to elect a taxable year beginning one month earlier than its majority US shareholder's year. The proposed regulations would also implement a 10% disallowance of certain foreign tax credits with respect to taxes paid, accrued, or deemed paid on distributions of certain previously taxed earnings and profits. Comments and hearing requests are due by 17 September 2026.
