About the survey

The survey was conducted from October 14 to November 12, 2021. The survey sought to balance C-suite and non-C-suite perspectives, and included more than 400 responses from senior executives of private or public companies with revenue of at least $500 million that completed at least one divestiture in the past 12 months.

Building a more focused and resilient organization

Companies are increasingly looking to divest businesses that are not core to their operations.
