## **20.1 Interpretation**

The parties agree that:

- (a) except where the context suggests otherwise, terms used in this clause 20 have the meanings given to those terms by the GST Act (as amended from time to time);
- (b) any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause 20;
- (c) unless otherwise expressly stated, all consideration to be provided under any other provision of this Deed is exclusive of GST. Any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purpose of this clause 20;

- (d) a reference to the GST payable by an entity or the input tax credit entitlements of an entity will include a reference to the GST payable or input tax credit entitlements of the representative member of any GST group to which that entity may belong;
- (e) a reference to something done (including a supply made) by a party includes a reference to something done by any entity through which that party acts; and
- (f) if any value added tax, goods and services tax or other similar tax is payable pursuant to a law of another jurisdiction on any supply made under or in connection with this Deed, then the provisions of this clause 20 apply as if references to a word or expression defined in the GST Act were to the corresponding concepts in the law of that other jurisdiction.

## 20.2 Reimbursements and similar payments

Any reimbursement or similar payment required to be made under this Deed that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates plus an amount calculated in accordance with clause 20.3 where applicable.

## 20.3 GST payable

- (a) If GST is payable in relation to a supply made under or in connection with this Deed then any party (**Recipient**) that is required to provide consideration to another party (**Supplier**) for that supply must pay an additional amount to the Supplier equal to the GST-exclusive consideration for that supply multiplied by the rate of GST prevailing at the time the supply is made.
- (b) The Recipient must make payment of the additional amount in respect of GST at the same time as the other consideration is to be first provided for that supply, or if any of the consideration has been already paid or provided, within 5 Business Days of receiving a written demand from the Supplier.

## 20.4 Tax Invoice/Adjustment Notes

The right of the Supplier to recover any amount in respect of GST under this Deed on a supply is subject to the issuing of the relevant tax invoice or adjustment note to the Recipient, except where the Recipient is required to issue the tax invoice or adjustment note.

## 20.5 Variation to GST payable

If the GST payable in relation to a supply made under or in connection with this Deed varies from the additional amount paid by the Recipient under clause 20.3 then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 20.3.
