

Deloitte ISSB Ready: Diagnostic and Gap Assessment

The International Sustainability Standards Board's (ISSB) Exposure Drafts on *[Draft] IFRS S1* General Requirements for Disclosure of Sustainability-related Financial Information and *[Draft] IFRS S2* Climate-related Disclosures **elevate sustainability reporting** and highlight the movement toward a **comprehensive set of global baseline sustainability related disclosures**, that investors and other stakeholders can **use to understand the organisations sustainability-related risks and opportunities**, by considering the **potential financial impacts of sustainability issues**. To effectively meet the requirements of the standards, once released, organisations need to ensure they have the **appropriate systems, processes, data and controls** in place.

Our ISSB Diagnostic and Gap Assessment will help your organisation navigate and prepare for the changing Sustainability reporting landscape.

Deloitte ISSB Ready: Diagnostic and Gap Assessment

We will enhance your capacity to **strategically respond** to the **changing sustainability reporting landscape** with the International Sustainability Standards Board's (ISSB) Exposure Drafts on [Draft] IFRS S1 and [Draft] IFRS S2.
