

The background of the slide features a complex, abstract digital graphic. It is composed of numerous concentric circles and rings, some of which are segmented. These rings are interspersed with small, glowing blue dots and lines, creating a sense of depth and movement. In the center of the graphic is a stylized cloud shape, also filled with glowing blue dots and lines, suggesting a cloud computing or data migration theme. The overall color palette is dark blue with highlights of light blue and green.
