

Q&A

#	Category	Question	Answer
1	Qualification	Can we apply as a group?	Group applications are acceptable.
2	Qualification	Is it possible to apply even if the financial plan and other documents are not yet fully developed?	It is possible but a certain level of planning is required.
3	Document Submission	Can we submit a document including confidential information?	It is acceptable. Submitted documents are shared only with JICA and Deloitte involved in the evaluation process.
4	Document Submission	Is it acceptable to submit a tentative resource acquisition plan or risk countermeasures?	It is acceptable. Planning is critical to the timing of implementation and financing plans. Please describe risks as much detail as possible.
5	Document Submission	Can we submit PowerPoint documents in PDF format?	Submissions in PDF format are acceptable.
6	Document Submission	Are there any file size or length limitations for reference materials?	There are no strict limitations, but if the total size exceeds 10MB, please consider sending files in separate parts.
7	Support Details	Can we ask support teams to support for obtaining government permits or licenses?	Support primarily focuses on refining business plans. Assistance with administrative procedures will be limited and indirect.
