

Risk Advisory Consultant: Internal Audit

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you will find unrivalled opportunities to succeed and realise your full potential.

The Team

Organizations must meet the demands of the complex financial landscape but be flexible enough that the financial program keeps pace with a rapidly changing environment— all with an industry-focus.

Work you will do

As a Consultant in our Internal Audit team, you'll build and nurture positive working relationships with teams and clients with the intention to exceed client expectations. You'll:

- Plan, organise and deliver audit engagements to ensure they are carried out effectively within timelines.
- Review working, prepare audit reports and present findings to the management.
- Assist in annual risk assessment, to review and analyze financial and operational information, testing business processes etc.
- Use of CAAT's such as data analytics tools to develop and complete audit tests.
- Coach and develop team members and assist in performance reviews.

Profile

- Associate member/ passed finalist / finalist of CIA, CA Sri Lanka/ CIMA or ACCA.
- Minimum 4 years of experience in a professional service environment or in the mercantile sector in a similar capacity.
- Strong grasp of business and technical issues, industry trends and practices.
- Ability to communicate clearly with all levels with a proven track record of establishing and maintaining positive relationships.
