

Tax Manager – Transfer Pricing

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration, and high performance. As the undisputed leader in professional services, Deloitte is where you will find unrivalled opportunities to succeed and realise your full potential.

The Team

Deloitte delivers deep knowledge of tax and regulatory requirements as well as a breadth of experience applying them in practice worldwide. Practical tax advice combined with our consistent tax compliance framework instils confidence that a consistent approach is followed across jurisdictions. We help simplify tax management and oversight while providing global visibility for making informed strategic decisions — all with the ease of working with a global provider.

Work you will do

As a Manager in our Tax team, you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations.

- Manage the entire project workflow from start to finish independently.
- Perform both bespoke TP advisory work and TP compliance work.
- Lead discussions with clients to highlight key risk areas or key recommendations.
- Undertake business development and develop strong client relationships.
- You will report to engagement leaders and be responsible for managing and developing a team of competent professionals of diverse academic and cultural backgrounds to deliver high quality services to clients by providing technical training.
- Coordinate with the regional and global Deloitte network firms on client issues.
- Ensure service standards and technical standards remain high.

Profile
