Careers at Deloitte.**

Be a part of a thriving and dynamic professional services organisation

Deloitte is one of the largest global professional services organisations, serving clients through a globally connected network of more than 457,000 professionals across member firms in 150+ countries.

Deloitte Advisory Services is a multi-disciplinary professional services organisation part of the Deloitte network. Our international capabilities combined with local expertise help our clients succeed, wherever they operate. In our continuous efforts to be the preferred service provider in Sri Lanka, we require proactive, dynamic, and self-motivated individuals with excellent interpersonal skills and a high level of commitment. The details of the position are highlighted below.

Consultant - Operations, Industry & Domain Solutions

As a member of the Operations, Industry & Domain Solutions – International Development team, you will embark on an exciting journey with a group of competent globally aware individuals. The International Development (ID) practice provides services to the multilateral development banks and bilateral (government to government) donor agencies and their government partners. Most of our ID work is in the areas of SME development, women empowerment, business process re-engineering, capacity building and monitoring and evaluation. We connect global knowledge and local experience, enabled by appropriate strategies and technology, to provide sustainable development solutions. We are looking for professionals to join our team in the development sector.

Key Responsibilities

Delivery of consultancy projects of the division which includes but not limited to;

- Ensure project timelines, milestones and deliverables are met in accordance with client expectations
- Identify and engage with stakeholders both within the client organization and internally
- Conduct thorough analysis of client requirements, industry trends, and market dynamics
- Work closely with clients to understand their business objectives, challenges and opportunities
- Build and maintain strong client relationships through effective communications and delivery of high quality solutions
- Prepare proposals and responses to RFPs by collaborating across competencies / alliances / service lines
- Build and maintain strong relationships within the climate change and sustainability network

Key Requirements

- Degree in Business Management, Development Studies, Social Science or other related fields
- Minimum 5 years relevant experience in International Development Agency funded projects
- Excellent communication skills in English and local language/s , Strong analytical skills, research and report writing skills
- A team player, detail oriented and committed to meet deadlines
- Able to work independently flexible, adaptable, curious, and resourceful
