

Consulting

Salesforce | FICO Consultant

What impact will you make?

At Deloitte, we offer a unique and exceptional career experience to inspire and empower talents like you to make an impact that matters for our clients, people, and community. Deloitte offers you a highly inclusive, collaborative workplace and unrivalled opportunities to realise your full potential. We are always looking for people with relentless energy to push themselves further, and to find new avenues and unique ways to reach our shared goals.

The Team

How can you thrive when nonstop disruption keeps redefining possibilities? You should reimagine more than business processes. You should reimagine everything—relationships, data, markets, the workforce, and more. Deloitte can show you how—and help you deliver results with SAP solutions.

Our SAP Practice offers a complete range of services — from business case development and system design to configuration, testing and deployment. SAP offerings include – SAP ECC, CRM, SRM, ICH, Portal, Net weaver, BO, SAP Development and BASIS & Infrastructure and covers all functional areas and industry verticals.
