

Financial Advisory M&A, Valuation and Modeling, and Restructuring | Executive

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you'll find unrivalled opportunities to succeed and realise your full potential.

The Team

Financial advisory is about much more than just the numbers. It is about attesting to accomplishments and challenges and helping to assure strong foundations for future aspirations. Deloitte illuminates the what, how, and why of change, so you're always ready to act ahead.

Work you will do

As an Executive in our Financial Advisory team, you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations.

- Assist reporting manager and seniors on various financial advisory tasks, such as:
 - Day-to-day research on specific client projects
 - Specific computations and analysis of data (e.g. in relation to valuation, transaction support and restructuring engagements)

Profile

- Bachelor's degree or above with strong academic credentials in the field of Accounting, Finance, Economics, Management, or related disciplines
- ACCA/ACA/CFA or similar studies in progress or due to start
- Auditing or accounting experience not required but will be considered as an asset
- Good knowledge on IFRS
- Meticulous attention to detail
- Excellent communication and report writing skills
- Team player, with the ability to multi-task, flexible and can work under pressure
- Working knowledge of IT systems and standard MS office products
