

Financial Advisory Restructuring and Capital Projects | Executive

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you will find unrivaled opportunities to succeed and realise your full potential.

The Team

The Deloitte Restructuring Services team consist of highly skilled and experienced professionals dedicated to providing companies with customised restructuring of distressed companies and insolvency services. Our team of client-focused industry leaders is committed to working to address the range of client transactions.

Our Restructuring Services teams advise clients ranging from entrepreneurially-owned businesses, banks, corporates, private equity and institutional investors to governments, management teams and individuals. This diversity of our portfolio of clients combined with local market insight and industry knowledge, underpin the integrated solutions that Deloitte's Restructuring Services teams consistently deliver for clients.

As part of the larger Deloitte network of member firms, our clients also have access to a full suite of professional services to address their needs through the transaction lifecycle.

Work you will do

As an Executive in our Restructuring Services team, you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations.

You will be responsible to:

- Assist in execution across the various stages of the projects, including but not limited to preparation of reports, presentations, verification of documents, financial analysis, coordination and liaison with clients, etc
- Carry out market and industry research
- Assist in the preparation of financial models, feasibility studies, business plans, independent business reviews and any other ad-hoc assignments
- Assist the Senior Executive/Manager in charge of receiverships, administrations and liquidations

Profile

- Degree in finance/accounting/mathematics/management
- Professional qualifications (ACCA, ACA) or working towards same would be a definite advantage
- Basic understanding of financial statements - profit and loss statement, balance sheet and cash flow statement
- Good written and verbal communication skills

Financial Advisory Restructuring and Capital Projects | Executive

- Strong work ethic and positive attitude with the flexibility to be working beyond normal working hours to deliver to clients' expectations
- Proficiency in MS Office, particularly PowerPoint and Excel
