

## Audit & Assurance Statutory Audit | Manager

### What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you'll find unrivalled opportunities to succeed and realise your full potential.

### The Team

As a Manager in our Statutory Audit team you would be expected to lead the field team in performing the statutory audit. The clientele would be across a wide range of industries including manufacturing, trading and services in telecom, banking and financial services, hotel and leisure, FMCG etc.

You should handle and execute external/statutory audit engagements of various clients in line with Auditing & Accounting standards as per firm's methodology.

### Work you'll do

As a Manager in our Statutory Audit team you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations.

- Perform the audit/reviews in accordance with firm methodology to comply with the auditing standards
- Ensure proper documentation of audit work performed
- Understanding and review of the internal control systems
- Ensure financial statements are prepared in accordance with accounting standards
- Timely coordination with the client staff to ensure timely completion of audit
- Timely Communication with client as well as with the audit manager on audit issues
- Review the work papers of team members
- Lead and mentor team members on the audit engagements
- Oversee the efforts of multiple client engagements in variety of industries with the ability to manage to budget
- Maintain active communication with clients to manage expectations, ensure satisfaction, and lead change efforts effectively
- Consult, work with, and service client base to make recommendations on business improvement and process improvement and serve as a business advisor to client
- Play a key role in future business generation by identifying new business opportunities through networking within industry
- Adhere to the highest degree of professional standards and strict client confidentiality.
- Maximise operational efficiencies on engagements
