

Audit & Assurance Statutory Audit | Senior Manager

What impact will you make?

Every day, your work will make an impact that matters, while you thrive in a dynamic culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte is where you'll find unrivalled opportunities to succeed and realise your full potential.

The Team

As a Senior Manager in our Statutory Audit team, you would be expected to lead the field team in performing the statutory audit. The clientele would be across a gamut of industries including manufacturing, banking and financial services, hotels and leisure, telecom, FMCG etc.

Should handle and execute external/statutory audit engagements of various clients in line with Auditing & Accounting standards as per firm's methodology.

Work you will do

As a Senior Manager in our Statutory Audit team, you will build and nurture positive working relationships with teams and clients with the intention to exceed client expectations.

- Oversee the efforts of multiple client engagements in variety of industries with the ability to manage to budget
- Maintain active communication with clients to manage expectations, ensure satisfaction, and lead change efforts effectively
- Consult, work with, and service client base to make recommendations on business improvement and process improvement and serve as a business advisor to client
- Understand and manage firm risk on audits and proposals
- Play a key role in future business generation by identifying new business opportunities through networking within industry
- Actively participate in recruiting talent to the firm
- Attend professional development, networking events and training seminars on a regular basis
- Adhere to the highest degree of professional standards and strict client confidentiality
- Help to mentor, coach and counsel their team members and help Deloitte to build an inclusive culture and high performing teams
- Maximise operational efficiencies on engagements
- Enhance Deloitte brand through strong external relationships across a network of existing and future clients
- Provide strategic and relevant insight, connectedness and responsiveness to all clients to anticipate their needs
- Maximise business development opportunities through leveraging of networks across other Deloitte service offerings and geographies
- Apply complex risk management policies and procedures and work closely with the internal and external inspections teams to enhance the execution of quality audits
