

Internal Firm Services Clients and Markets | Senior Executive

What impact will you make?

Are you ready to apply your economics and analytical skills in a dynamic environment? Are you looking for an exciting opportunity to be a strategic business advisor to executive leaders? If so, Deloitte could be the place for you!

Join our team of experienced strategists who support leadership for the internal practice in a fast-paced climate. If you are seeking a role that offers you the opportunity to develop personally and professionally, consider a career with Clients & Markets team at Deloitte.

The Team

The Clients & Markets team supports our firm for driving organic and inorganic growth strategies and practice development. The team is also responsible to initiate and build relationships in the market. It is made up of strategists and economists who partner with leaders to translate strategy into actionable plans, leverage in-depth analysis to provide the story behind the numbers and respond to business changes with agility.

Work you'll do

- Carry out economic and market research and analysis
- Provide assistance in operational strategy
- Provide assistance in both internal and external communications
- Provide assistance in developing content and creating deliverables
- Provide support in day-to-day marketing and branding activities
- Provide support in event coordination

Qualifications

- Holds a degree in economics/management/business/commerce
- Has accumulated 3-4 years of progressive experience in an analyst role in a fast-paced environment
- Is proficient in written and spoken business English and French
- Demonstrates good adaptation and interpersonal skills
- Has a good knowledge of market dynamics, business fundamentals and financial acumen
