

Need some independent assistance?

The Early Resolution Team at MBIE is a neutral independent third party who deal with employment related issues and can help facilitate information with us, the receivers, and you the employee.

Assistance might be:

- Speaking with you and us with your permission about your concerns;
- Making sure everyone is fully informed with relevant information;
- Referring you to a more appropriate agency if that would help.

They can be contacted on

CapabilityandEarlyResolution@mbie.govt.nz.
