Events leading up to our appointment as Receivers

The Company was incorporated on 1 March 2017 and was the holding company of various companies within the ELE Group. The Company did not actively trade.

The ELE Group of companies included three core trading entities:

- ELE Limited (In Receivership), which operated a labour hire business throughout New Zealand
- Tranzport Solutions Limited (In Receivership) which operated a nationwide transport and logistics business.
- ELE Security Limited (not in Receivership) which operated manned guarding and security training services.

Management of the Company identified the Group would experience a liquidity shortfall by the end of January 2024. Following unsuccessful attempts by Brent Mulholland, the Director of the ELE Group of companies (the **Director**), to obtain additional funding and/or a sale of the business, the Director requested the Bank to appoint Receivers. We were appointed Receivers over the various companies in the ELE Group on 20 December 2023 and the Company ceased to trade on that date.

Other companies over which we were appointed Receivers include;

- ELE Limited (In Receivership)
- ELE Management Limited (In Receivership)
- Tranzport Solutions Limited (In Receivership)
- RISQ New Zealand Limited (In Receivership)

Separate reports have been prepared for each of the above companies. The Receivers recommend that this report be read in conjunction with the other reports on the companies in the ELE Group, particularly ELE Limited (in Receivership).

Assets comprising the property in receivership

The Receivers’ appointment is in respect of all present and after acquired property of the Company.

- RISQ New Zealand Limited (In Receivership)

Property disposed of to date and any proposals for the disposal of property
