Use of Money Interest Rates

From January 16 2025, the Commissioner's paying rate on overpayments is 4.30% while the taxpayer's paying rate on underpayments is 10.88%. These rates were correct at time of printing; however they are reviewed regularly and subject to change.

Late Payment Penalties

An initial late payment penalty is applied in two stages – 1% is charged on the day after the due date. A further 4% penalty may be charged if there is still unpaid tax (including penalties) at the end of the 7th day from due date. The incremental late payment penalty of 1% may be imposed on certain taxes. A warning notice will be issued for first offences in certain cases. This warning notice does not apply to late payments of provisional tax.

ACC Earners' Levy

The ACC Earner's Levy for the 2025/26 year is \$1.67 per \$100 liable earnings (GST inclusive). The maximum income the earner's levy is charged on is \$152,790.
