# Powering Performance

Being an athlete takes hard work, commitment and sacrifice – a dedication and focus that can sometimes mean that other important things, like studies and career, may have to take a back seat. At Deloitte, we understand the challenges that our Team Singapore athletes face in balancing their sporting endeavours with the need to gain valuable work experience and develop their career opportunities to provide for a promising future after sport.

With that in mind, we created Deloitte Ignite – a special program for elite athletes that offers flexible internship and employment opportunities with the world's largest professional services organisation. Athletes can explore career opportunities in Audit & Assurance, Consulting, Financial Advisory, Risk Advisory, Tax & Legal, Marketing, Communications, Human Resources and many other areas – either full-time, part-time or through internships.
