MFRS 18 Presentation and Disclosure in Financial Statements Seminar

Thursday, 22 October 2026
8:30 am – 5:00 pm
M Resort & Hotel, Kuala Lumpur

Overview

Malaysian Accounting Standards Board ("MASB") issued MFRS 18 *Presentation and Disclosure in Financial Statements* ("MFRS 18") in June 2024, replacing MFRS 101 *Presentation of Financial Statements*. MFRS 18 introduces significant changes to the structure and content of financial statements, particularly the statement of profit or loss, with the aim of improving comparability, transparency and consistency in financial reporting. Key enhancements include the introduction of defined categories and subtotals, as well as new requirements relating to management-defined performance measures ("MPMs") and enhanced disclosures. MFRS 18 is effective for annual reporting periods beginning on or after 1 January 2027, with earlier application permitted.

Prepare your organisation to meet the new regulatory requirements effective 1 January 2027. Join us for a full-day event where we will explore the requirements in depth and share strategies to support a smooth transition to MFRS 18.
