# Best Managed Companies

## Celebrating business excellence

Best Managed Companies is a global awards programme that recognises organisational excellence, success, and entrepreneurial spirit in privately held companies.

Established in Canada in 1993, the Best Managed Companies initiative has since expanded to more than 45 countries worldwide with a global network of over 1,300 outstanding companies.

In Southeast Asia, the programme is in its fifth year across the five major markets of Singapore, Thailand, Malaysia, Indonesia, and Vietnam.

Winners benefit from peer-to-peer networking opportunities, coaching from Deloitte Private professionals, access to exclusive events and thought leadership, media attention, and the use of the prestigious Best Managed Companies designation.

Take a look at the map to see the 2024 Southeast Asia Best Managed Companies.
