Global Trade Bureau—Customs compliance offering

What is Global Trade Bureau?

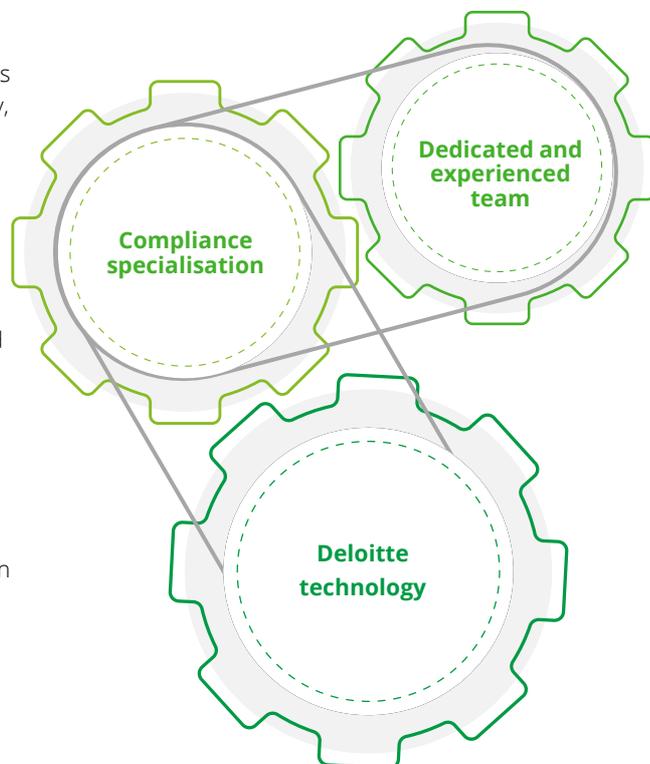

As part of the Global Trade Advisory market offering under Deloitte Singapore, Global Trade Bureau (GTB) is a comprehensive suite of trade compliance services designed to help businesses navigate the complexities of global trade—including Customs Brokerage, Trade Compliance Advisory, Technology Integration and Free Trade Agreement (FTA) Optimisation.

Through these offerings, the GTB aids businesses in streamlining their trade operations, ensuring regulatory compliance, and maximising the benefits derived from FTAs.

By leveraging Deloitte's in-depth knowledge, the GTB offers an unmatched solution in the market, targeting the unique challenges faced by businesses involved in international trade.

Deloitte's technology coupled with market-leading customs declaration platforms and a global team of customs compliance professionals with more than 200 years of experience combined, create unmatched market offerings to meet your customs compliance needs. Have confidence with an oversight of your customs compliance landscape through our regular cadence of updates.

Besides permit declaration services offered in Singapore, there is also synergy with the Global Trade Bureau team in the United Kingdom, Netherlands, and Japan.

Benefits of Global Trade Bureau

Customs compliance support

Your customs declarations will be processed by a team of specialists and stored electronically making the declaration details available 24/7. Access your documents conveniently during any Singapore Customs post clearance audit or visit.

Visibility, speed, and simplification of processes

Offering an upfront review of your trade requirements, our team delivers a streamlined customs declaration process.

Accurate submissions

Our comprehensive quality assurance programme helps to verify that the supporting documents are in order and the relevant licenses are applied for items under Competent Authorities' control before the movement of goods.

Customs processing procedure review

Our Global Trade Advisory team works as one to improve efficiency, accuracy, and bottom-line savings.
