3. Revised Guidelines for Approval of Director General of Inland Revenue (DGIR) under Subsection 44(6) of the Income Tax Act 1967 (ITA)

The Inland Revenue Board of Malaysia (IRBM) has issued [new Guidelines](#) for the Application of Approval under Subsection 44(6) of the ITA (dated 30 January 2020). The new Guidelines supersedes, from 30 January 2020 onwards, the [previously issued Guidelines](#) for the Application of Approval under Subsection 44(6) of the ITA (dated 5 September 2019) as follows:

- Paragraph 3.3(i) now states that the requirement of more than 50% of the members of the Board of Trustees / Board of Directors / committee members must consist of outsiders who are not related to the institution or organisation and founder, only applies to institutions / organisations registered with the Companies Commission of Malaysia (SSM) and the Legal Affairs Division of the Prime Minister's Department (BHEUU).
- For institutions / organisations that are registered with the Malaysian Registration Department (i.e. Registry of Societies of Malaysia), the appointment of the Board of Trustees / Board of Directors / committee members should be among registered members who have the power to vote.
- A new paragraph 4.5 has been inserted to inform that upon submission of an application for approval under Subsection 44(6) of the ITA, the applicant must fill out the checklist, confirm and verify the submission of requisite documents.
- Paragraph 6.1(iv)(c) has been amended so that an institution or organisation which has obtained an approval under Subsection 44(6) of the ITA must submit a list of donors who have donated RM20,000 and above (*previously was RM10,000 and above in the superseded guidelines*). The list of donors should be submitted along with the institution's / organisation's annual audited financial statement (audited by an accredited Public Auditor) by or on 30 April each year to the IRBM office.
- Paragraph 10.3 has been updated pursuant to the enactment of Finance Act 2019 to allow a relief of the amount of donations and contributions under the approval of the DGIR, subject to a limit of 10% of the aggregate income of the taxpayer with effect from year of assessment 2020 (*for year of assessment 2019, the relief was capped at 7% and 10% of the aggregate income for taxpayers other than a company and a company respectively*); and
- The Appendices have also been updated accordingly.

4. Bintulu Lumber Development Sdn Bhd v Ketua Pengarah Hasil Dalam Negeri (KPHDN) (COA)*

Issue:

Whether the taxpayer's application for leave for judicial review to quash the notice of assessment raised for the year of assessment (YA) 2011 by the Director General of Inland Revenue (DGIR) after disallowing the claim for reinvestment allowance under Schedule 7A of the ITA, should be allowed.

Decision:

The Court of Appeal (COA) unanimously upheld the High Court's decision, and dismissed the application for leave for judicial review by the taxpayer on the issue. The COA held that the application for judicial review by the taxpayer was an abuse of process when other specific procedure (i.e. Section 99 of the ITA) was available. This had been spelled out in the grounds of judgment of the High Court (HC), as well as the executive summary of the DGIR. Furthermore, the taxpayer's appeal had no merit.

[**Note:** Details of the above tax case at the HC level is not available as of this date of publication.]
