Drawing on the world-class faculty within Deloitte and from leading global business schools, our programmes are designed to grow, advance and future-proof the leadership abilities of our clients.

Our competitive differentiators

Impactful experience

Deloitte's record of impactful engagements demonstrates how we intersect innovative ideation and real-world implementation. We are uniquely positioned to combine business theory with practical reality.

Access to global business leaders

Deloitte is a trusted and invaluable advisor to the most influential companies in the world. Our partnerships connect us to an expansive network of the foremost thinkers.

Experiential learning

Combining our deep industry knowledge with experiential and immersive experiences is a compelling differentiator in the marketplace.

Relationships and networks

We have an intimate understanding of executive clients' needs and business challenges. Our understanding of their human capital requirements equips us to journey with them while continuously providing tailor-made solutions.

Deloitte brand and reputation

Deloitte is globally recognised as a partner for success with proven credentials in delivering innovative solutions.

World-class faculty

Our partnerships with the world's leading business schools and faculties means that we work with them in creating and implementing programmes that enhance our own proposition.

The Global Executive Leadership Programme with London Business School

The Global Executive Leadership Programme (GELP) is proudly hosted in collaboration with the **London Business School** – widely recognised as one of the world's leading business schools. As part of the University of London, the London Business School is based in leafy Regent's Park, London. The school is amongst the world's leading business schools and was ranked 1st in Europe (2014, 2015, 2016, 2017, 2018) by the Financial Times.

The Global Executive Leadership Programme focuses on succeeding in the post-Covid economy and how businesses need to strategically adapt to rapid technological change. The programme is Alchemy by Deloitte's flagship programme, providing a deep and immersive world-class learning experience for senior management and business leaders across multiple geographies.
