

AI, Innovation and the 4th Industrial Revolution Programme

June - July 2021

Alchemy
by Deloitte

Objectives

The programme is designed to enhance your knowledge of analytics, digital technologies and AI. It will highlight the value and opportunity these technologies could bring for your business, and to your customers. Through this programme we will help you to understand how to leverage new technologies and understanding meaningfully how they apply and how you can accelerate their deployment.

Format

Duration: 4-weeks (7x2 hr sessions)
Presented digitally

Module 1:

Analytics, AI, digital technology 101

Module 2:

AI using a value driven AI programme

Module 3:

AI Technology Deep Dive and the impact of Cloud

Module 4:

AI Governance

Module 5:

AI Ethics

Module 6:

Future of Talent and Tapping into the AI Ecosystem

Module 7:

Making AI Real

Programme details:

Duration: 7x2 hr sessions

Dates: Commencing 28 June 2021

Cost: R13 500 (excluding VAT)

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our global network of member firms and related entities in more than 150 countries and territories (collectively, the “Deloitte organization”) serves four out of five Fortune Global 500[®] companies. Learn how Deloitte’s approximately 330,000 people make an impact that matters at www.deloitte.com. This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms or their related entities (collectively, the “Deloitte organization”) is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication. DTTL and each of its member firms, and their related entities, are legally separate and independent entities.
