Global Salesforce Assets & Solutions Group

Bring the future into focus.

The Global Salesforce Assets & Solutions Group is driving value at speed and scale.

We combine industry knowledge with deep technical expertise to help clients re-imagine human-centric businesses for today and tomorrow, transform at speed, and build value that lasts.

Our solutions are built on decades of experience gained through thousands of successful Salesforce implementations across key industries. We've now applied our deep industry knowledge and technical experience to create assets that can quickly solve our client's toughest challenges.

The result? We're helping organizations worldwide see farther and get there faster.

To build human-centric businesses that engage people in deeply meaningful and relevant ways. To inform actions with up-to-the-moment insights, while protecting consumer trust in the use of data. And to maximize investments while continually adapting and innovating.
