

Finance Intelligent Automation

Deloitte Advanced AP Automation (DAAA)

“Artificial intelligence leading the way
to low-touch AP processing”

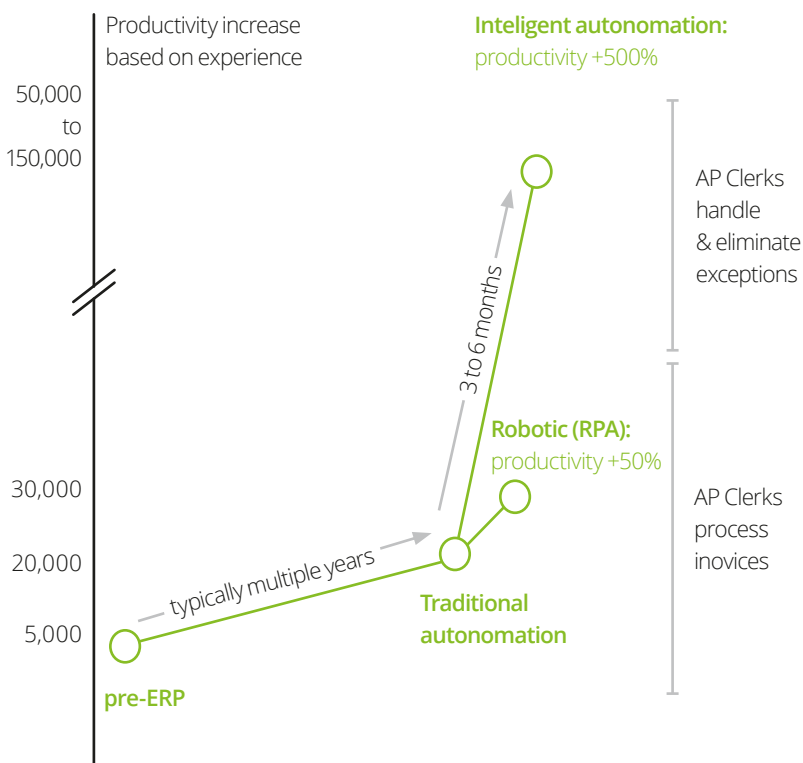

MAKING AN
IMPACT THAT
MATTERS
since 1845

Deloitte Advanced AP Automation (DAAA)

Delivering fast, high-precision and low touch AP

Deloitte Advanced AP Automation is a combined solution & service that will help you increase invoice handling productivity per AP employee up to 5 times. Our solution combines Intelligent Optical Character Recognition and Machine Learning to automate the end to end Invoice Processing.

Invoices processed/AP clerk/deck

Implement a **digital future proof** AP solution introducing cognitive automation (Machine Learning) and process analytics

Deliver a **compelling business case**, reducing your AP costs and shifting team focus from processing invoices to exception handling as well as providing better service to suppliers

Reduced risks of errors and therefore **improved quality and compliance**

Run the solution 'As A Service', ensuring **regulatory and technical updates** available in the solution based on changes and continuously optimizing AP

Embedded analytics to drive improvement on end-to-end AP process and master data

Industry average

€5 - €10

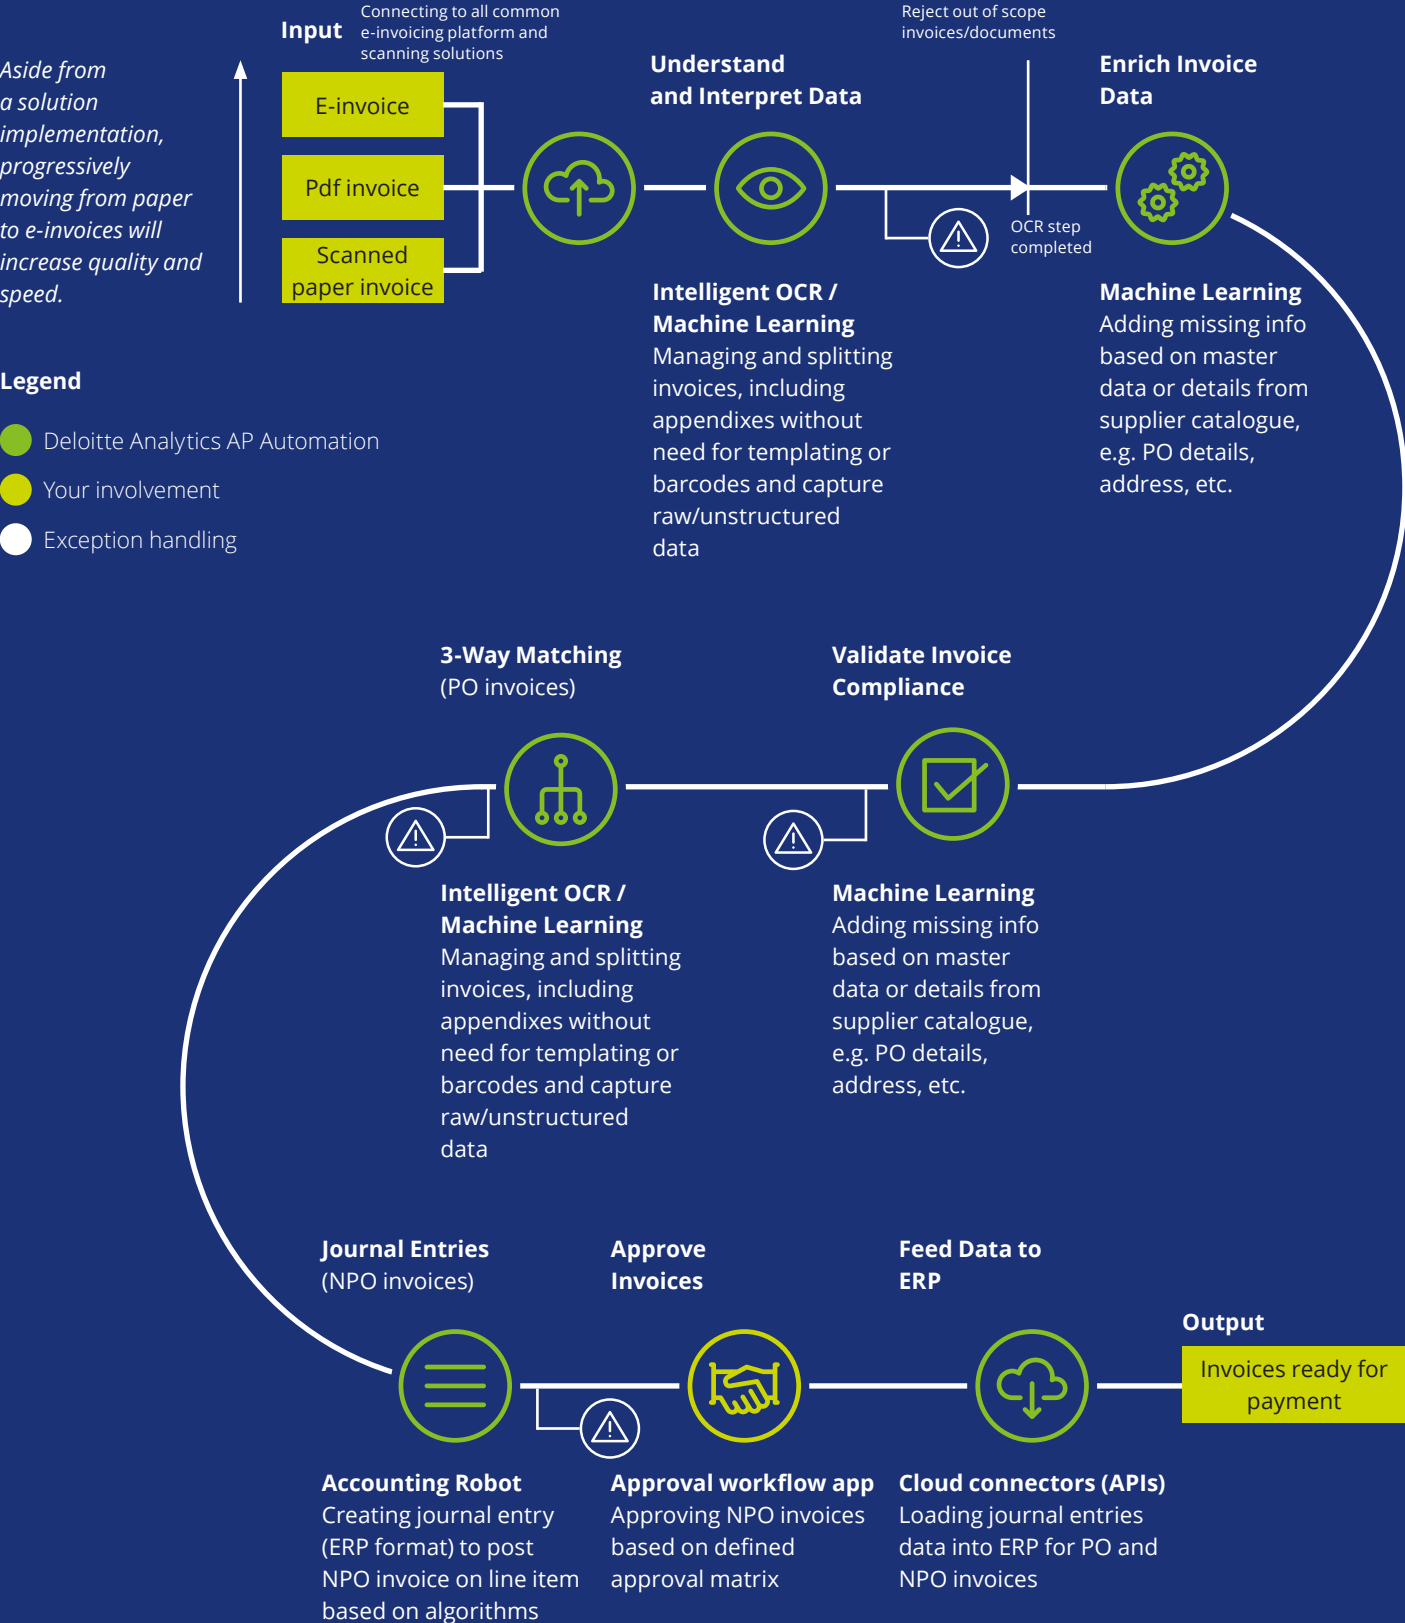

Cost of accounting per document

DAAA

50% reduction

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.

Deloitte provides audit, tax and legal, consulting, and financial advisory services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte has in the region of 312,000 professionals, all committed to becoming the standard of excellence.

This publication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the "Deloitte Network") is, by means of this publication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this publication.
