Broadcom-VMware Affair Disrupts 2024 MSP 501 Companies

18 June 2024

channelfutures.com

Like much of the IT world, the 2024 Channel Futures MSP 501 winners are spending a lot of time this year figuring out how to react to Broadcom's stewardship of VMware. Leading managed service providers characterize their customers as confused, concerned and angry over Broadcom's actions since acquiring the virtualization giant. Since ... [Read more](#)

Users rage as Microsoft announces retirement of Office 365 connectors within Teams

09 July 2024

theregister.com

Microsoft has thrown some enterprises into a spin after confirming that, with only a few months' notice, Office 365 connectors within Teams will be cut. The connectors and webhooks are used to plumb workflows into a Teams channel. For example, users might use them to post an update into a chat stream. This means you can read content and service updates directly ... [Read more](#)

SAP public cloud migration requires architectural rethink

25 Jun 2024

computerweekly.com

Research from analyst Gartner has identified common issues IT leaders may encounter when moving S/4HANA to the public cloud. While almost three-quarters (74%) of in-progress SAP S/4HANA implementation projects are being deployed on public clouds, analyst Gartner has urged IT leaders to avoid simply mirroring their on-premise setups in the cloud. Gartner's Top practices ... [Read more](#)

European Commission declares Microsoft's bundling of Teams with M365 anti-competitive

25 June 2024

computerweekly.com

The European Commission has informed Microsoft of its preliminary view that selling Microsoft Teams bundled in with its Office 365 suite is anti-competitive. Microsoft broke European Union (EU) antitrust rules by bundling in its cloud-based communications and collaboration software Teams when users purchased its online productivity suite, Office 365. That is the preliminary ... [Read more](#)

Veeam Develops Backup Plan for VMware Alternatives

02 July 2024

channel futures.com

Channel partners aren't the only people dealing with fallout from Broadcom's acquisition of VMware. Even close VMware vendor partners are preparing for customers looking to defect or add second hypervisors as insurance. Long-time VMware server partner HPE last month unveiled a virtualization platform that it bills as "complementary" to VMware but is ... [Read more](#)

VMware license changes mean bare metal can make a comeback through 'devirtualization', says Gartner

03 July 2024

theregister.com

Analyst firm Gartner has published its 2024 Hype Cycle for Data Center Infrastructure Technologies, and added virtual-to-physical migrations – aka "devirtualization" – to its list of ideas that are set to take off, thanks to Broadcom's licensing changes. "As on-premises virtualization projects move from [enterprise license agreement] ELA and perpetual licenses to new bundling ... [Read more](#)
