

The indirect tax environment today is increasingly evolving, bringing a growing need for dedicated resources with in-depth expertise (both in VAT and customs). However, these resources are not always available or are not required on a full time basis.

Our 'ITX@your site' consultants can temporarily empower your team where needed.

**Need for temporary  
indirect tax support?**  
ITX@your site

## Why ITX@your site?

Deloitte's 'ITX@your site' team is able to deliver flexible **temporary solutions tailored to your specific needs**. We focus on providing specialized and multidisciplinary experience to support your team with a diverse set of indirect tax skills, ranging from customs, ERP implementations, VAT projects, ad hoc advisory, strategy and processes, as well as recurring compliance support.

In addition to on-site temporary assistance, 'ITX@your site' can also assist in bringing **structural solutions in your firm based on a co-sourcing approach**, where we cooperate with you in operating the overall indirect tax function.

With on-site support, bridges are built between our team and your company, striving together towards a successful outcome of your project, as well as to **creating long term value and efficiencies, while mitigating risks**.

## What do we have to offer?

- **Temporary on-site indirect tax assistance**  
Our dedicated consultants will collaborate with you to provide the required support, tailored to your activities/needs and removing the indirect tax burden from your employees who can then devote themselves to other areas.
- **Benefit from the global Deloitte network**  
When cooperating with our 'ITX@your site' consultants, you will be able to benefit from the vast global Deloitte network. Our aim is to strive with you collectively for an enhanced practical approach and the solutions for your situation, doing so from every indirect tax angle.
- **Fixed fee based on level and time commitment**  
'ITX@your site' is offered on a fixed subscription basis, setting out precisely what our service package includes and a fixed cost. This enables full clarity on the Deloitte services delivered, and the related cost.

## For whom?

- There is no available budget for an additional FTE, but you feel the need to have an indirect tax consultants on-site for one or two days a week/quarter.
- You need to fill certain skill and competency gaps in your (indirect) tax team or financial department.
- Your (indirect) tax responsible/team member has become (temporarily) unavailable and you are looking for support.
- You started a project and are looking for qualified support (e.g. making suggestions regarding potential process improvements in frame of compliance processes, indirect tax risk management or automation you may wish to consider).
- You want to free up time as a CFO/Tax manager to deal with strategic questions/projects rather than indirect tax compliance or ad hoc queries from the business.
- You would like to build an indirect tax framework or strategy, but there are no available resources for the project nor for building this strategy from within.
