360° Solution for your Belgian construction project

Navigating Belgium's strict construction tax & legal regulations for (foreign) companies

Navigating Belgium’s strict construction tax & legal regulations

YOUR CHALLENGE

Navigating Belgium’s strict tax, legal, immigration, social security tax, and other regulations can be very challenging for foreign construction companies. Ensuring compliance to avoid severe penalties, site closures, and potential damage to your brand reputation, is key.

OUR COMMITMENT

Our comprehensive solutions guide you through every step and answer all your questions. From advisory or compliance regarding corporate tax, VAT, personal income tax, labour law, social security, and immigration, to on-site compliance management.

ONE STOP SHOP SOLUTION

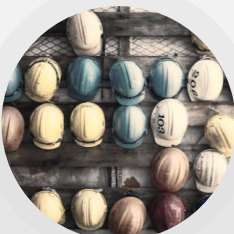

Deloitte (Legal)’s comprehensive 360° solution, simplifies compliance and advisory and covers all relevant tax and legal topics for construction projects in Belgium. We assist you in every phase of your construction project, from tendering over construction to delivery and post-construction.

360° Offerings For Construction Projects

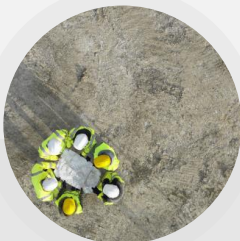

360° Project Tax & Legal Budget Planner

Helps you to assess the tax and legal budget implications of your project before you start.

360° Kick-start Workshop

An interactive workshop offering tailored materials and a roadmap for starting operations in Belgium.

360° On-site Support

On-site compliance services for construction via tailored assessments and reporting.

360° Construction HUB

Ongoing or ad hoc support for your construction sector tax and legal compliance and advisory questions.

Prior to start: 360° Project Tax & Legal Budget Planner

Do you need insights in pricing?

Embarking on a new project, particularly during the tender phase, requires a thorough grasp of its financial viability and compliance requirements. Our team can assist you in understanding the complete cost of tax and legal requirements: and the outsourcing thereof.

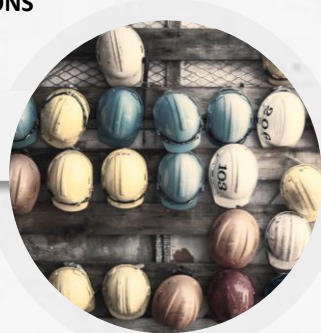

TAX & LEGAL COMPLIANCE
