## The Game Changer for Global Mobility: MobilityAdvantage

**MobilityAdvantage, powered by Workia, is a powerful mobility management platform designed to help Global Mobility teams become strategic partners to their business. Specifically designed for mobility programs of all sizes, MobilityAdvantage is highly affordable and very quick to activate.**

**Automate | Collaborate | Integrate | Empower | Elevate**

Powered by Workia

### Key Features

**Enhanced Experience**: Enjoy an intuitive, easy-to-use platform with a user-friendly interface that is visually appealing and simple to navigate.

**Streamlined Processes:** Simplify core global mobility tasks with checklists for standardisation, automation to drive efficiencies, planning tools for projecting mobility processes and costs, a centralized ticketing system for managing queries and risks, secure approval workflows, and email and document templates for efficient communication.

**Automation & Integration:** Configure alerts and notifications triggered at specific milestones and integrate with key HR systems like Workday and SAP for data accuracy and speed. Connect with a wide network of over 80 vendors, including Deloitte, through the powerful Equus ecosystem.

**Empowerment Tools**: Equip employees and global mobility teams with dedicated mobile apps for managing tasks, tracking status, accessing information on-the-go, and overseeing mobility portfolios.

**Easy Set-Up:** Benefit from a quick activation process that does not require heavy implementation, allowing you to get started swiftly and efficiently.

**Cost Projections:** Access ready-to-use cost projections at the click of a button, offered at below-market pricing.

**Data Ownership:** Maintain full control of your data, ensuring integrity and transparency.

**Deloitte's alliance with Equus Software brings a unique combination of market-leading technology and unmatched mobility services, offering clients significant advantages at competitive prices**

### When is MobilityAdvantage Right for Your Business?

- You have a global program size of at least 10 cases, spanning **assignments, Business travelers, Remote workers, Intra-company transfers, International local hires, etc.**
- You have **disjointed data**, using **decentralized**, spreadsheet-based data solutions or **outdated and/or non-fit for purpose mobility technology** resulting in **data discrepancies** both internally and with vendors
- You find it **hard to manage** and **coordinate manual processes** and have **difficulty collaborating** with team members and vendors, with **correspondence and approvals** routinely being **managed in emails**
- You want to **enhance your Global Mobility Team's experience** and create more structure by working more streamlined and effectively, and be able to **collaborate with your business as a strategic partner**

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.
