

## Project Management Office “PMO”

### Why and When You Should Use the PMO

We combine **project and change management expertise** using **proven methodologies** together with **strong industry knowledge**.

**Why:** **Focus on your expertise**, while our project managers **plan, delegate, monitor** and **control your project** in a successful and efficient manner and our change managers **engage stakeholders**, minimizing the time taken to **adopt the “new normal”** so that **ROI and Business Case are realized**.

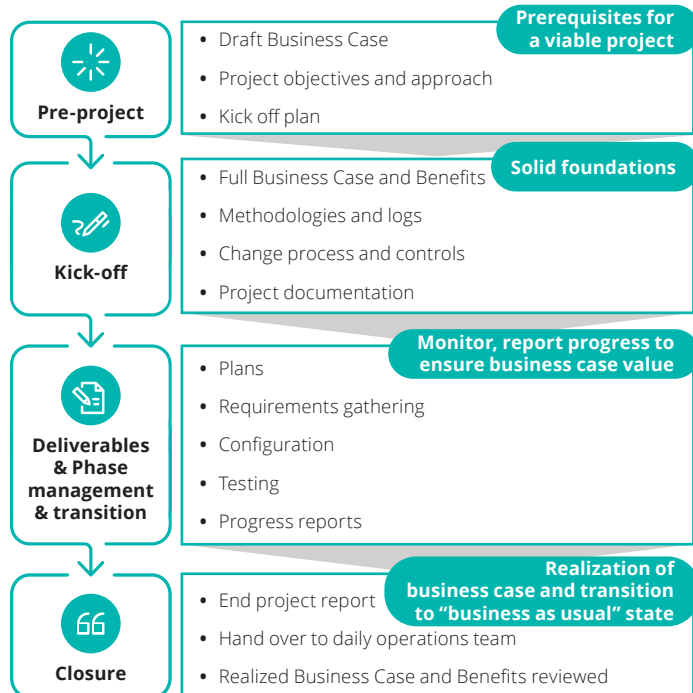

**When:** Reach out to us for all Tax&Legal related projects – for example: technology implementations, transformation projects, health checks! In case of any doubt just ask us.

### Choose your level of service

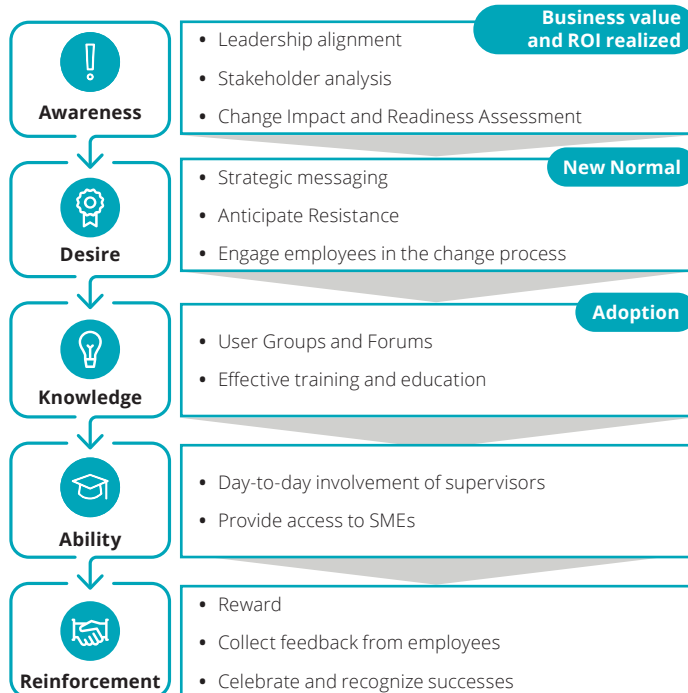

- Do you have a resource shortage, do you need ad-hoc advice or full scope services?
- We are flexible and happy to discuss for the project on hand, how much time should our resources pass.
