

## **Deloitte - UCY Accelerate.D Program**

Give your future a trial run!

Imagine trying out a career for 5 months before you commit. This program is a great way to make sure you're on the right path.

### **Overview**

An innovative program in collaboration with the University of Cyprus, which gives you the unique opportunity to gain practical experience and an invaluable insight into working life, while completing your undergraduate studies.

- A paid 5-month, full-time program, from January to May
- Opportunities available in the following teams: Audit; Assurance; Tax; Strategy & Transactions; Risk, Regulatory & Forensic
- You'll be a key part of our engagement teams, training and working alongside our first-year graduate intake

### **Who can join?**

The Program is open to 3<sup>rd</sup> and 4<sup>th</sup> year undergraduate students of the Accounting & Finance Department of the University of Cyprus, with a minimum GPA of 6,5 at the time of the application.

### **What's in it for you?**

The people you'll work with. The incredible opportunities on offer. The sort of work you'll do. You'll watch, learn, participate, and network.

- Get a practical understanding of the profession, enabling you to make informed decisions for your future
- Opportunity to work with and learn from some of the most talented and experienced professionals in the industry, and collaborate with an international network of Deloitte members
- Designated buddy who will act as your contact person and show you the ropes
- Work directly with clients and establish meaningful relationships from day one
- Boost your employability
- The professional experience you will gain with Deloitte will count towards the practical work experience required for the ACA qualification, being only 1.5 year away from completion. We also accept applications from students who are considering other professional qualifications (ACCA/CFA/ADIT etc.)
- But, it's not all about what we think of you, this is just as much about you getting to know us — during your placement you'll get a real feel for who we are and if we're the right fit for you.

### Will you be offered a place?

The placement is designed to give you in-depth business skills and an insight into a professional career at Deloitte. It could certainly lead to a permanent position; if you successfully complete the placement program, you could receive an employment offer for our Graduate Training Program. Students who will obtain such an offer at the end of their placement, will also be given the option to participate in a second placement program during their 4<sup>th</sup> year of studies.

### FlexOptions!

While there is a general pathway for the program, we provide flexibility and the opportunity for an individualized path, enabling you to explore where you fit best, always subject to business needs.

### What are we looking for in a candidate?

While grades are important, to make the most of this opportunity and flourish in your career, additional factors come into play! We are looking for:

- A high level of self-motivation and commitment
- The ability to analyse and work through complex problems
- Flexibility, resilience and intellectual curiosity
- A proactive approach to work
  - Ability to collaborate and work well within a team environment
  - The ability to learn quickly

- Demonstrated leadership, creative problem solving and strong verbal and written communication skills
- Ability to prioritise tasks, work on multiple assignments, and manage change

### How to Apply

Submit your CV through the [2BeConnected](#) platform or by sending your CV at [hrcy@deloitte.com](mailto:hrcy@deloitte.com) with subject title: "Deloitte-UCY Accelerate.DProgram"

In your application, please also include the following documents:

- High School Leaving Certificate
- Updated Academic Transcript
- A-Levels/O-Levels/IGCSE/Other Certificates
- Army Certificate (if applicable)
- Passport size photo

### When to Apply

The application cycle usually commences in September/October. Exact application timeframes are communicated to students through the respective University department. .
