

Accounting for Non - Accountants

Virtual seminar invitation

Seminar Overview & Objectives

The course aims to provide participants with the basic knowledge in understanding financial statements, including Profit and Loss, Balance Sheet and interpreting financial statements with the use of ratio analysis. The seminar is ideal for individuals who do not have accounting background (i.e. lawyers) and are interested to learning and understanding the basics of accounting to assist them in their daily tasks.

15 November 2023

Facilitator

Kikis Pissarides

Director, Business Process Solutions

Kikis is a Director in the Business Process Solutions Department at Deloitte Cyprus office. Kikis is mainly involved in the provision of bookkeeping, payroll, financial reporting services as well as in handling and providing any general support to Cyprus Companies, from the set-up up until the support to the day-to-day operations. He is responsible for the project management, preparation and delivery of work to the clients, whilst ensuring that Deloitte standards are always met. Kikis is also heading BPS delivery center and outsourcing projects between Deloitte Cyprus and other member firms.

Kikis graduated from the University of Manchester with a bachelor degree in Accounting and Finance. He is a qualified chartered accountant and a member of the Institute of Chartered Accountants in England and Wales ("ICAEW"). He is also a member of the Institute of Certified Public Accountants of Cyprus (ICPAC). Kikis is also a holder of the Advance Certificate of the Cyprus Securities and Exchange Commission ("CySEC") and a member in the Public Registry of Certified persons maintained by CySEC for the provision of investment and ancillary services.
